# Funding Structure

- Federal funding – Approx. \$194 million in 2006
  - Formula: \$68 million
  - Discretionary/New Starts: \$126 million+
- State funding: \$22 million
- Local Funding: \$700 - 800 million
  - **Local match is limiting factor in receiving state/federal funds for many agencies.**
  - **Local funds difficult to use for regional service**
